令和5年度語学研修プログラム体験レポート

～文理語学研修・進学総合コース語学研修(1年生)～

Memories of Manila in the Philippines.

平日は英語のみの勉強で大変でした。しかし、フィリピンの先生はいつも明るく笑顔で話してくれたので楽しく授業を受けることができました。いろいろな先生とコミュニケーションをとることで英語から日本語に変える力など様々な語学力を身につけることができました。フィリピンで学んだ力を活かして英検準二級、二級を取れるように頑張りたいです。

Weekday ▶ It was hard to have English-only classes on weekdays. However, the Filipino teacher always talked with a bright smile, so I was able to enjoy taking the class.

By communicating with various teachers, I was able to acquire various language skills such as the ability to change from English to Japanese. I want to do my best to take advantage of what I learned in the Philippines to get Eiken Pre-2nd and 2nd grade.

休日はプールや海、大きいショッピングモールに行ったり、フィリピンの子供たちと触れ合いました。どの施設も大きくとても綺麗でした。ショッピングモールではTシャツを買ったり、たくさんのお土産を買うことができ素敵な思い出ができました。フィリピンでの一ヶ月間の生活食べ物とかには慣れが必要だったけどとても楽しい一ヶ月を過ごすことができました。これから語学研修で学んだ英語力を活かして英語の勉強を頑張ります。

Holidays ▶ On holidays, I went to the pool, the sea, a big shopping mall, and got in touch with Filipino children.

All the facilities were big and very beautiful.

I was able to buy T-shirts and buy a lot of souvenirs at the shopping mall, so I had wonderful memories.

I needed to get used to the food for a month in the Philippines, but I was able to spend a very fun month. I will do my best to study English by making use of the English skills I learned in language training from now on.

Homestay

She is Anna, my host mother.

She works hard every day so I couldn't talk with her much, but she took me to many places. For example beach, gym, and the super market where she works.

On Independence day, I lit and watched fireworks at home.

A lot of people launched fireworks.

It was very powerful, and beautiful.

Day

At El Camino College

Monday to Thursday we went to El Camino College by bus.

We took an English class there.

We learned reading and grammar.

It was difficult for me, but our teacher taught us clearly and politely, so my English improved.

On the last school day, we had a small graduation ceremony.

Also, I celebrated my birthday, ate cake, and they gave me a present.

We stayed at CPILS with two roommates and a guardian. This school is really famous as language school in Philippine.

study abroad

We had one-on-one lessons and group lessons. My 4th class's teacher was native teacher, Paul. Every Friday, we played some games in his class. It was really excited.

school

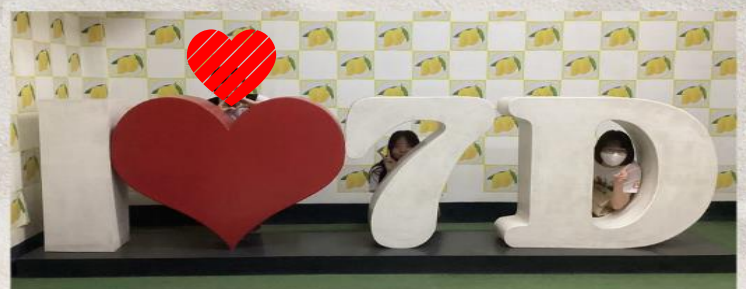

In the morning, we had four classes. After lunch, we had five classes. After dinner, we had one more class. This schedule was every weekdays. It was quite hard but I enjoyed.

CEBU

We did interesting activities every nights and weekends. We went to orphanage, the beach, mango factory, shopping mall and other places. All activities are my good memories.

activities

Through this experience, I could improve my English skills and get confidence. From the beginning, I had been not nervous because my teachers were really kind. So I quickly got used to life in the Philippines. I could make friends from different countries. Thanks to them, I learned different culture. Not only CPILS friends, but also I got along better with Seirinkan high school's friends. In this way, I was able to know my possibility.
