## LANGUAGE CENTER NEWSLETTER

It's a new year at Seirinkan High School AND Junior High School. This is going to be an exciting one, for sure! For the new students, "Welcome", and to the returning students, "Welcome back".

### INTRODUCING THE LANGUAGE CENTER

The Language Center began a long, long time ago; 1985 to be exact. Our pride comes from the professional and hard-working teachers in our program, but more importantly, from the equally talented and hard-working students. In the Language Center, we strive to give our students a sense of empowerment and a lot of learning English. Activities ranging from role play dialogues, debates, reading authentic materials, and music are just a fraction of what our students take part in every week. Come and join us and see what it's all about!

### OUR NEW TEACHER

**EILEEN RAE A CALIXTO** or *EIRA* is from the Philippines. Eira has been teaching for over 7 years. Her experience and enthusiasm will be a perfect addition to the English department.

Eira's interests include studying languages, community development, volunteering, and sewing. Please help us welcome her to Seirinkan!

### IMPORTANT EVENT

The *International Course* will have a guidance program on April 20th. Please come and listen to an explanation of the goals, curriculum, and future of the 国際コース. The informational program will be held in **Nagoya** at the **Midland Square Office Tower**. There also will be a chance to meet with the Language Center instructors and participate in a mini lesson. Come and join the fun!
